**WE EXIST BECAUSE THE
CHILDREN ARE WAITING™**

Dear Friends of A Child's Hope Int'l,

It is with humility we submit this annual report for 2012. Together, we accomplished the following:

- Conducted our 2nd Annual Million Meal Marathon in March 2012 for the orphans and vulnerable children of Zambia. Over 3100 volunteers produced 1.1 million high protein meals over four days for the least of these.
- Participated with the Christian Alliance for Orphans in Zambia for the 10th anniversary of Orphan Sunday!
- Published *Journey to the Fatherless* by WestBow Press. The reviews and feedback has been very encouraging (for more details see www.JourneytotheFatherless.com).
- *Journey to the Fatherless* was featured at the authors book signing event as part of the Alliance Conference at Saddleback Church in May 2012.
- Continued the goal of helping several families start and continue the adoption and foster care process – many of them began as a result of the Hope Factory™ experience!
- Participated in the Cincinnati Reds Opening Day parade in April 2012 which will lead to other opportunities with the Reds.
- Accredited by the Better Business Bureau.
- Partnered with the US Air Force Denton Program in March 2012 for our first airlift into Haiti.
- Held our first celebration banquet in November 2012 honoring foster care families, case workers and volunteers from Warren and Butler counties as well as the Bair Foundation and Focus on Youth.

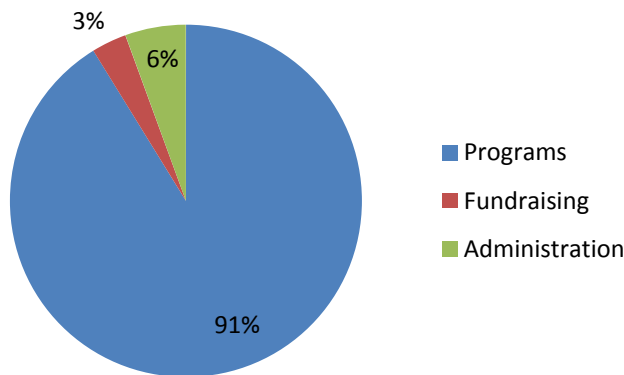

- Established the Linsley Scholarship Fund to assist foster care children pursue post high school educational advancement.
- Awarded financial grants from the A Child's Hope adoption fund to help orphans come home to their forever families.
- Established as the primary provider of food for the Orphan's Table Project in concert with Christian Alliance for Orphans.
- Launched our new web site in December 2012 using in-house resources and named the site as www.TheChildrenAreWaiting.org.
- Hosted nearly 10,000 guests in the volunteer experience at either Hope Factory™ or at one of our mobile sessions.
- Provided high protein food shipments to Native Indian Reservations in South Dakota, Appalachia, Cincinnati, Kentucky, Kenya, Zambia, Haiti, Ukraine, and Swaziland.
- Shipped a record of 3.7 million high protein meals.

Thank you for helping us in 2012 as we look forward to another successful year!

Sincerely,
Lawrence Bergeron, Executive Director
