2018 ANNUAL REPORT

ADOPTION

FOSTER CARE

OUR MISSION is to motivate and mobilize the church and the community to care for the orphans and vulnerable children of the world.

ORPHAN CARE

HUMANITARIAN RELIEF

Dear Friends,

Thank you for partnering with us in 2018 to help the orphans and vulnerable children of the world who are losing hope that anyone cares for them.

This annual report provides an encouraging glimpse into what your faithful support has meant to us and to the children we serve together around the world.

As we embark on our second decade of serving the least of these, it is my hope that you will continue to join with A Child's Hope Int'l to improve the lives of children locally, regionally, and internationally.

Warmly,

Lawrence E. Bergeron
Founder & Executive Director
